TRADE L. & R. MARK. FORMER'Y

Ammoniated Soluble Superphosphate | Ammoniated Soluble Superphosphate

THE STAR AMMONIATED SOLUBLE SUPER PHOSPHATE, having gained on its own merits, the greatest reputation of any Fertiliser ever sold in the United States.—Other manufacturers, are using the trade mark of the "STAR," for their articles, much inferior in quality, and that cost 100 per cent less, in order to make money for themselves, regardless of the interest of the poor farmer. The manufacturers of the original "STAR," with ourselves have determined, in order to prevent the great imposition, now being practiced in some parts of the United States, and to save the name of that

GREAT AND GOOD FERTILIZER,

formerly known as the "STAR" to change the trade mark to L. & R. with the above cut, which has been duly patented. Next Season each sack will contain precisely the same Fertilizer as we sold last season, but will be stamped with the new trade mark and the words

FORMERLY THE STAR AMMONIATED

SOLUBLE

SUPER PHOSPHATE

will be printed on the back of each sack with the analysis. We refer to all farmers who have used the STAR as to the reputation and value of the article as a Fertiliser.

...—Mr. Secretary Denson informs us that 5,020 tickets were taken in at the fair grounds gates yesterday.

——The hop of the Oak City Pleasure Club takes place this evening at the National Hotel. It promises to be an elegant affair.

——A feature of the fair, yesterday, was the presence of the pupils of the three female schools of our city, and of all the other schools. Sixty-one of the Wake Forest College students were also present.

——The grog sellers have no right to complain of hard times just now, for the way the people have tackled the beer and other varieties of fire-water within the past few days, has been a caution.

——A lady arrived in the city yesterday evening on the Raleigh & Gaston train, and waited at the central depot for the freight and accommodation train on the other road to leave. As she stepped down on the track she fell injuring herself very painfully. We could gather no particulars.

——Yesterday evening as the last train coming to the city from the fair grounds ran up to the platform, near the gate, there was the same rude and disgraceful disregard of ladies which is always manifested on such occasions. The crowd about the track was immense. One old man very foolishly caught at the railing, before the train stopped, and was dragged a considerable distance across the ties. Some people deserve to be killed and this old man came near meeting that fate.

Lucretia Borgia.

This famous historical play was presented to a crowded house at Tucker Hall, last night, by the Boyd Star Company. The drama was well rendered. Miss Florence Richmond, as Lucretia, made a fine impression upon the audience. The character seems well adapted to her histrionic talent. She elicited frequent applause. Mr. James Harrison performed his part in a highly creditable manner. These two leading characters were well supported, and the play was evidently enjoyed by the audience, which was in the finest humor imaginable throughout. The performance was concluded with a very amusing farce, entitled "The Rough Diamond, or Cousin Joe's Trip to the Centennial." W. H. Davidson, as Cousin Joe, and Miss Emma Hendricks as Margery, the Rough Diamond, were admirable. We are glad to know that the Company will visit Raleigh again during the winter, as announced by the manager last night. To-night, "Astray or Lost in London," and "Toodles," will be presented by special request. The following is the letter which conveys the wishes of many of our citizens:

RALEIGH, Oct 19.

Mr. Boyd:—If not incompatible with your interest can you not oblige us with a repetition of that very funny piece of "Toodles." Several of us were prevented from attending on Tuesday evening, and others who were present would delight in hearing it again. It is not often we get a chance to see anything of the kind. So please excuse us for asking you to repeat it.

By so doing, you will greatly oblige,

A GREAT MANY ADMIRERS.

Personal.

L. C. Jones, President of the Western Railroad Company, is in the city.

Mr. Schloss, the clever host of the National at Salisbury, is attending the State Fair.

Hon. J. J. Davis, our gallant Congressional standard-bearer, is in the city.

Sheriff Monger, of Moore county, is in the city. Mr. Monger is one of the staunchest Democrats in the State and is a risingman.

THE STATE FAIR.

Third Days Exhibition.

A FINE DAY, FINE CROWD, A FINE DISPLAY.

The Racing, Military Display, &c.

Yesterday was the great day of the fair, and, considering everything, it was a great day. A crowd which was variously estimated, but which could not have numbered less than 5,000, assembled on the grounds, and found enough to amuse itself from the The dust was very oppressive, but this was all there was to mar the day's pleasure, and where there was so much to interest, of course this was not allowed to interfere materially.

The crowd present presented all classes and conditions. It gratified us to notice many of the

REAL FARMERS

of the country. The mechanics and artisans were there in number. The merchants and business men of the city left their business for one day to aid in our State exposition, and many of the fair ladies of the city and State lent their presence and assistance. The fair maidens graced the scene, and "spooney young men did the attentive," speaking after the manner of Charles Lever. The children were there, and, indeed, representatives of every other class. It was a fine gathering—a fine-looking, well-dressed and intelligent body of people. They wandered to and fro over the grounds and through the halls until the racing began, and then filled the Grand Stand.

FLORAL HALL

was of course the centre of attraction. The number of quilts has increased every day since the fair opened, and it is now very full and very beautiful. The ladies who have had the arrangement of the articles on exhibition here have displayed exquisite taste. There are some articles on exhibition in this department which deserve to be noticed but which have hitherto been overlooked in our necessarily hurried sketches. Notable among these is a lot of hand work children's clothes, made by Haselline Norwood, of Hillsboro, which is exceedingly well done.

She is an invalid child 14 years old; has been sick nearly two years and most of the time in bed. Also crocheting, and one pair of home-knit stockings by Miss Maria Norwood.

Infants' embroidered cloak by Miss Anna Clark of Halifax; very elaborately and elegantly worked.

Mrs J. M. Atkinson, of this city, exhibits a pin cushion cover and Infants' cap in tatting; this is exquisite work, looking as if it might have been executed by fairy fingers.

A lot of work by the blind pupils of the institution for the deaf, the dumb and the blind, bead wreaths and baskets—very pretty.

There are two rustic vases of dried grasses, representing 45 varieties, which were arranged by a lady 60 years of age, Mrs. Lawrence, of Murfreesboro.

Mrs Alfred Thompson exhibits an elaborately embroidered baby's shirt.

A crochet tidy and other work in this line is exhibited by Miss Hennie Kramer.

There is an embroidered quilt, the work of Mrs. Eliza Felton, which is very attractive.

A gown yoke and other embroidered work is exhibited by a lady sixty years old.

Mrs. Heartt has on exhibition forty yards of home-made carpeting.

One of the most curious things in this department is a contribution which was only sent in yesterday: it is the Lord's Prayer in elaborate design and workmanship, and tasteful in its tracery, executed with a pencil and neatly framed by Wm. C. Capps, of Charlotte, who is now a convict in the penitentiary.

A beautiful oil painting, representing an Italian summer scene, cannot fail to attract the attention of the visitor who bestows upon this department even the most cursory glance; this is the work of Miss. Blanche Fentress, of this city.

Mrs. Geo. W. Wynne displays a lot of embroidery on linen and flannel, hand work skirts, &c., very creditable.

(Here we may remark that in mentioning, yesterday, the exhibition in this department by Mrs. Kennedy, we made her place of residence Granville county, when it is New Hanover.)

Mrs. Thos. Cowan, of Pittsboro, exhibits two beautiful bouquets of wild flowers. They are ingeniously arranged attractive both in themselves and on account of the manner in which they are put together; they arrested the attention of not a few visitors yesterday.

Near by these hangs a quilt made of raw silk. It is of Chinese workmanship, and bears upon its borders the bland faces of numerous Celestials. It was brought hither by Lieut. Perrin Busbee, U. S. Navy, and is entered by Mrs. James F. Taylor.

Miss Lena Foust, of Alamance, exhibits a full set of ladies' furs, made by herself of mink fur.

Miss Blanche Wynne, aged eight years, exhibits the "Wealth of a Cottage" a picture of her own execution, which is good for one of her age.

Mrs. S. J. Fall displays a design of tapestry, by herself.

Miss Linnehan some work in water colors.

Miss Russell, of Tally Ho, and Miss Minnie Upchurch, aged eight years, exhibit some creditable work in this

Among the many quilts on exhibition is one by Aunt Abby House.

With this we leave Floral Hall, having in the last three issues of the News, including this, mentioned nearly everything which is displayed in the general exhibition hall.

In the departments of

STOCK, POULTRY AND MACHINERY,

there are no articles to which we need refer more particularly than we have already done. We can but repeat that in the two first named the display is highly creditable to the society and to the State. While speaking of poultry we will correct an error committed yesterday through lack of information: Mr. Wycoff exhibits 77 coops of chickens instead of 13 varieties, as stated yesterday. Mr. Nash's exhibition in this line continues to attract much attention, and deservedly so. He sold a large number of his fowls yesterday to Mr. Geo. T. Stronach and Dr. Jas. McKee.

In our last we gave credit to another lady for a large and elegant exhibition of ladies' work from the hands of Miss A. L. Clark, of Halifax. It consists of embroidery and other articles of a lady's handiwork, and has attracted a great deal of attention.

THE RACES

upon the whole were an improvement upon those of the previous days.

The First Race—Was a running race, open to the world, one-half mile and repeat, purse $25. Entries: Hope, by Dozier and Dancy, Eliza Wyatt, by Jas. Norwood. [illegible] the race in two straight heats, time 53 and 54.

Second Race—Mile and half dash. Entries: Jenipher, by L. L. Staton; Arapahoe, by Carter. Race won by Jenipher, time 2.55.

Third Race.—A trotting match, purse $150, best two in three. Entries: Billy Gold, by Paxton; Agnes Lee, by G. C. Chambers; Gen. Love, by Harvey. Agnes Lee got the pole. Gold won the first heat in 2.57; Gen. Love the second and third heats in 2.59, 2.59.

Fourth Race—A mile dash over two hurdles, purse $90. Entries: Brown Prince, by Pomeroy, Jock Roulhac, by J. Norwood, Toss by Col. Leathers. Toss got the inside track, Brown Prince second, Jock Roulhac took the start and lead the race all the way, winning the race by three lengths. Time was very excelent.

THE MILITARY DISPLAY.

The only cadet company present was a detachment of the Bingham School boys to whom the hour from 1 to 2 was assigned. They appeared promptly on the ground at the appointed hour, and, after forming a line with the three volunteer companies, moved off and commenced their drill, which attracted as much attention as anything else on the grounds, if not more. The audience was delighted with the perfect regularity with which the boys moved and the promptness and beauty of their evolutions. Their commander, Maj. Bingham, evidently did not fear criticism; for the movements executed were among the most difficult and some of them the most difficult and intricate of field movements. Not only was the audience delighted with the skill of the cadets, but military critics, such as Gen. Hoke, Gen. Cox and Col. Saunders, expressed themselves freely as having never seen more perfect drilling anywhere, and we understand that Gen. Grimes agreed in this flattering opinion. The skirmish drill was also of the highest order of excellence and attracted great attention. For want of time the exercises in the manual were omitted, but while a large crowd was waiting for the train, late in the evening, the boys went through the manual in the presence of all the volunteer companies and a large crowd besides. It was pronounced the best of their drill by all present, Captain Taylor, a graduate of Virginia Military Institute, remarking that he had never seen the manual of arms so well executed. So that these cadets have not only sustained, but have increased their former military reputation, and what is even more creditable their conduct, while off duty has been most exemplary in all respects, as it has always been when they appear in public.

It is certainly a subject for congratulation that we have a school in North Carolina where not only the best literary advantages are offered, where the military organization is used so far as it aids in securing the best intellectual and physical development, but where such a moral discipline and influence is exerted that boys are restrained from drinking and rowdyism and always act as gentlemen.

At 12 M. the Wilmington Light Infantry, and a detachment of 10 members of the Newbern Grays, arrived. The first named had 48 men in line and was officered as follows: Captain, M P Taylor; First Lieutenant, A L DeRosset; Second Lieutenant, N H Sprunt; Junior Second, J McRee; Orderly Sergeant, Walter Coney; Second Orderly, W L Smith, Jr; Third Orderly, J M Cronly; Fourth Orderly, Jas G Bradley. The detachment of the Newbern Grays were: Captain, Wm W Whitford; Second Lieutenant, John Roberts; Orderly Sergeant, David Ward; Corporal, Clark Whitford; Privates, Wm Ellis, —— Stilly, J W Manuix, H W Stevenson, Jas A Jones, Wash Bryan.

The officers of the Fayetteville Independent Light Infantry and the Raleigh Light Infantry are named in another article; the only other company on the grounds, besides those named, was the Raleigh Light Artillery, composed of 18 men, rank and file. The officers were: Captain, J W Lee; First Lieutenant, J I Johnston; Second Lieutenant, J D Whitaker; Orderly Sergeant, A B Stronach, and several non-commissioned officers.

THE TARGET PRACTICE

was participated in by 10 men from the Wilmington, Fayetteville and Newbern and two Raleigh companies. The distance was 200 yards, and the shooting according to Upton's tactics. The Wilmington Light Infantry took the first chance and made the following score: Capt. Taylor, 22, 22, 6¾; Ensign Cazaux 22, 22, 4½; Sergt. Smith, 3 blanks; Sergt. Bradley, 3 blanks; Bowles 22, 2, 7¼; Burbank, 22, 22, 7½; Brown, 22, 22 3½; Berry, 3 blanks; Fyfe, 22, 22, ½; Vann, 3 blanks.

Fayetteville Independent Light Infantry: A H Worth, 22, 22, 4½; E P Rogers, 3 blanks; T B Fuller, 22, 22, 6¾; J B Davis, 3 blanks; J W Maultsby, 22, 0, 2½; R F Devane, 3 blanks; T M McLaughin, 3 blanks; R McMillan, 22 3¾, 4½; J B Broadfoot 3 blanks; Chas Haigh, 22, 22, ¼.

Raleigh Light Infantry: We give the names and the scores of the members of the company. It was no fault of ours that we were unable to get the score of each member. The members of the team however, were C D Upchurch, G Whitfield, Thomas, C Lumsden, R Lumsden, Jno Beasley, G W Smith, T W Allen, —— Brown, M Hayes. The scores were as follows, but we do not know who made them: 3 blanks; 22, 22, 7⅝; 3 blanks; 3 blanks; 3 blanks; 3 blanks; 3 blanks; 22, 22, 0; 3 blanks; 3 blanks; 22, 22, 3½.

The Newbern Grays have been named. Each member of the team made 3 blanks.

Raleigh Light Artillery: Capt. J. W. Lee, 3 blanks; Lieut. J. J. Johnston, 3 blanks; Private Cosby, 3 blanks; Beevers, 22, 1, 6¾; R Turner, 3 blanks; J Miller, 3 blanks; Jasper McKay, 3 blanks; A Williams, 3 blanks; C N Dixon, 3 blanks, Dr H M Wilder, 22, 22, 6¼.

It will be seen from the above that each member fired three shots. The contest being over, it was found that Private J W Maultsby of the Fayetteville Independent Light Infantry having made the best single shot, had won the prize plume, and that the Fayeoteville Independent Light Infantry having made the best series of shots was entitled to the prize flag.

At the request of the committee on the military contest in target shooting, the Secretary and Superintendent of the fair, Capt. C. B. Denson, delivered the following address from the Judges' Stand, in presenting the prize plume to the successful shot. The companies were drawn up in hallow square; and Captain Denson said:

Citizen Soildery of North Carolina:

In behalf of the President and the Executive Committee of the North Carolina Agricultural Society, I am proud to greet you this day, and to welcome you to our grounds. The aim of this Society is the advancement of all the material interests of our beloved State, to increase her harvests, to develope her mines, to show her forest wealth to the world, and over the blackened ruins of the past to weave the vines and roses of a glorious future.

You have contended to-day in generous rivalry, and it is a very high privilege to award the meed of victory to the gallant winner.

I congratulate him, and I congratulate you, gentlemen of the Fayetteville Independent Light Infantry, upon your victory—a generous victory over friends.

Be assured that if all are not premium shots at the target, all are premium soldiers in the hearts of their friends of the Agricultural Society, and of these fair women of Carolina.

To you we look for defence, in trouble, and honor in peace. Come back next year to receive the flag you have nobly won, and take with you on your return the name and cordial thanks of the Society for the interests you have shown in our cause.

I present you, sir, this plume, and if you have hit the mark to-day as straight and true, as your companies have struck direct to our sympathies, you are justly rewarded.

This address was responded to very handsomely by a gallant member of the successful company.

After this, Capt. B. C. Manly proposed three cheers for J. W. Malteby and the Fayetteville Light Infantry, which was heartily given. Capt M. P Taylor proposed three cheers for the State Agricultural Society, and and for the city of Raleigh, and after other cheers for other people, and things, the military marched out.

The programme for to-day is:

11 A. M.—Grand display of stock of all descriptions on the track.

11½ A. M.—Trotting race. Purse $50. For horses that never beat three minutes, best three in five mile heats first horse $30. Second horse $15. Third horse $10.

3rd. Race.—Purse $50. Gentlemen riders. Entrance free.

2½ P. M.—Trials of horsemanship.

1st. for gentlemen.

2nd. for boys under twelve years of age.

3d. for boys under eight years of age.

Premiums for 1st and 2nd riders in accordance with premium list.

4th Race—Trotting race, purse $75. No entrance fee. Winning horse to beat 2:50. Three trials.

5th Race—Purse $10. Entrance free. One-quarter mile dash.

6th Race—Mule race.

Notes: Entrance 10 per cent on all purses, except when otherwise stated. Three or more required to enter, two to start. All entries, (except for trials of horsemanship) to be made at 11 o'clock. Facing to commence punctually at 11½ o'clock.

It is believed that these will be the most interesting races of the fair, and we think our readers will be well pleased to-day.

State Agricultural Society.

Last evening the Society met again in the hall of the House of Representatives, at 7:30 o'clock, President Holt in the chair. The minutes of the previous meeting were read, corrected and approved.

On motion, Dr. Columbus Mills, of Cabarrus county, Hon. George Davis, of New Hanover, General R. F. Hoke, of Wake, and Col. J. M. Heck, of Wake, were appointed to represent the society at the fair of the Virginia Agricultural Society.

An election of officers was next gone into with this result: Col. T. M. Holt was re-elected President, as were also Messrs. Columbus Mills, J. M. Heck, W. J. Hawkins, W. S. Battle, J. W. Norwood and C. H. Brogden, Vice Presidents for the State at large. The following were were elected Vice Presidents from the various Judicial Districts of the State:

1st—H A Gilliam and M L Eure.
2d—A R Tolgpen and Joseph Staton.
3d—H Dortch and C I Granger.
4th—J A Engelhard and S L Fremont.
5th—A A McKethan and L L Polk.
6th—P E Smith and J A Haywood.
7th—D W Kerr and J Lindley.
8th—H W Freize and E A Voler.
9th—Dr Moore and S B Alexander.
10th—T S Nicholson and Shufford.
11th—T J Walton and J M Wilson.
12th—J L Robinson and C D Smith.

Captain C. B. Denson was re-elected Secretary, as was P. A. Wiley, Treasurer.

Following the election of officers came Prof. Kerr's address upon the climatology of the State, and a most interesting one it proved. It was replete with most interesting facts concerning the advantages and resources of our State, all of which were illustrated by a large typographical map. The large audience present, including many ladies, were highly interested. The lateness of the hour prevents a more extended notice.

This evening Rev. Dr. B Craven, President of Trinity College, delivers an essay.

The County Canvass.

To-morrow the county canvass will be resumed at Cary. A large crowd is expected to be present. From all sides we hear that the prospect for the success of our ticket is very bright, and is growing brighter every day. The white strength of the Republican party in this county is diminishing every day. In every township we hear of Republicans renouncing the party of corruption and fraud and rallying under the Tilden and Vance banner of reform and honesty.

Messrs. Morgan Bros. will sell a fine pair of mules at their stables on the Fair Grounds to-day.

THE official vote of Indiana places Blue Jeans' majority at 5,119. That secures the State for Tilden and Hendricks.

REPUBLICANS who have grown rich by plundering the country now insult the mechanics who organize to restore honesty and fair dealing in the government.

THE apprehension of a general war in Europe, has visibly affected our markets. The sudden rise in gold, may produce corresponding increase in the price of cotton.

WE learn from the Winston *Sentinel* that W. H. Bailey, Esq., and Mr. J. M. McCorkle, both prominent Republicans heretofore, have left the party, and are now ardent supporters of the Conservative ticket. Mr. Bailey has gone to South Carolina to stump that State for Wade Hampton.

REPUBLICANS RALLYING FOR REFORM.

The war upon South Carolina is made for the purpose of sustaining the Republican party. Disguise it as they may, that is the gist of Grant's proclamation and Cameron's order. The Republicans are alarmed at the number of converts to the Democratic cause and the movement among the negroes for Tilden and Hampton. Here in North Carolina many Republicans have joined our ranks, and there are many more coming. We welcome them into our midst. It is the place for all men, of all shades of political opinion, who wish for better times. There is no place in the Republican ranks now for any Southern man who has a spark of love for his country, or hates tyranny and corruption.

There is no neutral ground. He that is not with us in this life and death struggle for civil liberty is against us. He that marches under the Hayes' banner of despotism and usurpation is an enemy to the Southern States, to the constitution, and to all those blood-bought rights which we have inherited from our fathers.

It is not necessary in this contest that a man who advocates the election of Tilden should be a *Democrat*. The party which Mr. Tilden leads in New York is known as the Democratic-*Republican* party. As well said by Professor Sumner, who recently gave in his allegiance to our cause, "Mr. Tilden is not the Democratic candidate, but the candidate of the Democrats." And as said by the Chicago *Times*, now a powerful ally of the Democrats, "Uncle Samuel is not the Democratic candidate for the presidency, but the candidate of the Democrats in common with many men of many minds."

This is the true state of the case. There is reform, retrenchment and reconciliation offered on the one hand. On the other is presented continued corruption, continued extravagance and continued hatred of the South.

Can any man who loves North Carolina hesitate which to accept? Can any honest man hesitate? Especially since Grant has sent his army to our oppressed, down-trodden, suffering sister State to pin our race down with the bayonet under the heel of the negro and the infernal carpet-bagger This is no time for patriots to hesitate which banner to enlist under In view of recent events a *Southern* Republican is no friend of the South; and for a native of our fair land to help on a party that oppresses, traduces, and seeks to degrade us below the level of an inferior race, is odious if not infamous.

Let every man determine in his own mind what is his duty now. It is a matter of very little consequence what particular reasons impel Republicans to come out in support of our candidates. We welcome all into our ranks who are earnest in their wish to see the government reformed and restored to its pristine purity, beneficence and glory.

SPECIAL COURTS.

Among the thirteen amendments proposed to the fourth article of the Constitution, is one which proposes to strike out the words "special courts" in section 4, and insert "and such other courts inferior to the Supreme Court as may be established by law."

By this amendment, power is given the General Assembly to establish inferior courts when necessary. For example, in Raleigh, Wilmington, Newbern, Charlotte and in other places, where from the crowded condition of the docket of the Superior Court, civil actions are very rarely tried and justice unreasonably delayed.

It was also thought that under this provision, if necessary, the General Assembly might establish courts with a limited civil and criminal jurisdiction which might take the place of the present system of Probate Courts, and besides try certain classes of criminals more speedily, deliver the jails more expeditiously, and thus save a large expenditure by the different counties.

This is one of the most valuable amendments. Every voter should be urged to cast his vote in its favor. It will make the administration of justice more speedy and less expensive.

THE POLITICAL SITUATION.

A startling rumor has gained circulation. The Republican managers, made desperate and reckless by the unexpected loss of Indiana, on which they confidently relied, are said to be discussing a most astonishing step. It is seriously proposed that Hayes be withdrawn from the national ticket and that Grant be substituted in his place. This is a confession of weakness. The Republican managers see that Hayes is beaten. He cannot be elected without the vote of New York It is impossible for him to wrest that proud State from Tilden's grasp. With a fair election in the South and elsewhere, there is not the ghost of a chance for him. What shall they do, then, to turn the tide? They see but one way to do it, put Grant at the head of the party of fraud and force, and let him bring all the power of the government, with its bayonets and its martial law, against the solid South. This would mean revolution. But Grant is tyrant enough to play the tool of this reckless party and carry out a scheme of absolute despotism.

R. M. NORMENT and Squire Trivett, have resigned on the electoral ticket of the Republicans, and their places have been supplied by Col. William R. Myers, of Charlotte, and Hamilton G. Ewart, of Hendersonville. The reasons for these two changes are given. Norment and Trivett are candidates for the Legislature. It was proper for them to withdraw. But why has James E. O'Hara resigned his place on the electoral ticket in the Second District? Because he is a negro; that is the only reason for it. He was the only representative of the African race upon the ticket. His forced withdrawal is an insult to the colored people. The negroes in the Republican party are about eighty thousand strong; the whites about fifteen thousand, yet the whites get all the offices, and the others none. Is that fair? Will the colored voters continue to be political slaves to the carpet-baggers and scallawags?

Our dispatches tell us that the order of Secretary Cameron to General Sherman, directing the Federal army to concentrate in South Carolina, was a complete surprise to every one outside of the war-office people. It was hard to believe that the Republicans would carry out their threats to overturn the civil authority in a sovereign state, and subject it to military control, in a time of profound peace. Such a mighty stride towards absolute despotism was enough to astound the entire country. However, we need not be astonished at any thing Radicals do in their desperation to retain power in spite of the verdict of the people of the Ohio Valley. If they could they would plunge the South into a bloody war of races. Robbers will murder to accomplish their purposes. It is for the people to turn them out of power by the irresistible, silent power of the ballot.

THE official vote of Indiana is now made up. The details and meaning of the victory so gallantly won by Indiana Democracy on the 10th instant, is now clearly shown. The increased majority for the Democrats on the vote of 1872, is nearly five thousand. They have elected their Governor *carried the State Senate*, and will have *a majority of two on joint ballot in the next Legislature.* The entire State ticket was elected by majorities ranging from five to ten thousand. The victory of the people over the powerful combination of the Federal Government was complete. The increase of Republican Congressmen was due entirely to the infamous gerrymander of the State by the Republican Legislature of 1871. The State is Democratic by five thousand on the solid vote, and is therefore sure to give its weight in the Electoral College to Tilden and Hendricks.

GOVERNOR CHAMBERLAIN, of South Carolina, has been caught in a lie. In his proclamation ordering all armed organizations to disperse, he said that the rifle clubs were illegal, strictly forbidden by the laws of the State. An examination of the Acts of the General Assembly shows that these volunteer companies are regularly chartered by the Legislature under the name of "Rifle Clubs." And Chamberlain has deliberately proclaimed a falsehood. Think of the Governor of a State being caught in a wilful, malicious lie! But it is not surprising. We may as well look for jewels in a swine's snout as truth on the lips of a carpet-bagger.

THE organ of the Republican party in this State speaks of the organization of the workingmen of Raleigh as "the *so called* mechanics" Tilden and Vance club; and again, as a "combination of bosses"; and further, as "beggars on horse-back." Has it come to this that the Republican party dares to insult the mechanics because they choose to organize against thieves and plunderers? Will the workingmen of North Carolina, any one of them, follow at the heels of the insolent thief-aristocracy, who are attempting to bully and badger honest men into their support?

HON. JOSEPH J. DAVIS and Col. Isaac J. Young have, within the past ten days, thoroughly canvassed Chatham county. They filled seven appointments. Mr. Davis will make considerable gains in that quarter. His popularity has steadily increased every day since he was elected, in 1874; and he will be returned to his seat in Congress by a constituency that admires true nobility of nature, and never turns its back on a man who serves the people faithfully and well.

TROOPS are concentrating in South Carolina. The Republicans are playing a desperate game. They may carry one State by force of arms; but they will lose more than its equivalent in other States. While they are pinning the prostrate State with bayonets to the ground, the patriots of the rest of the Union will arise in the might and majesty of their strength and drive them from power.

THE Republicans call our nominees for the House in this county, "four *insignificant* countrymen." They call the leaders of the Democratic movement among the mechanics of this city, "beggars on horseback." Will the workingmen of the cities and towns, and the farmers of the country, support a party whose leaders thus attempt to insult them as a class?

HON. KEMP BATTLE has been invited to deliver his admirable address on the relations of the State University to the agricultural interests of North Carolina, at the Salisbury Fair. He has accepted the invitation. The time for the delivery of the address has not yet been fixed. It will be announced in due time.

O'HARA, the negro, is taken off the ticket by the Republicans in the vain hope of appeasing white folks In his stead they give us William J. Clarke, who was colonel in the Kirk war. This is swapping the devil for a witch.

O'HARA has been thrown overboard, a political Jonah to save the sinking Radical ship. It is no good. The fate of the Republican party of North Carolina is sealed.

STATE CANVASS.

All the papers in the State are calling on voters to register.

Hon. Edward Conigland is doing efficient service on the stump in Nash county.

A vote against the constitutional amendments is a vote for the encouragement of crime.

A Tilden, Hendricks, Vance and Reform banner will be hoisted at Smithville Saturday.

Halifax county canvassers are actively at work. The Democrats of that county will poll their full strength.

About 300 people of Charlotte attended the great Hampton mass meeting at Rock Hill, South Carolina.

Rev. Garland H. White, col. spoke in behalf of Reform at Rocky Mount. But few negroes were present to hear him.

R. P. Warring, Esq., Democratic elector in the 6th Congressional District, has made a thorough and efficient canvass.

H. A. Gudger is the Democratic candidate for the House of Representatives in Madison county. W. W. Rollins is his Republican apponent.

In 1868 O. H. Dockery swore that he would leave the State if negroes were allowed to vote. In 1876 he swears that they should have had the ballot all the time.

J. W. Poe and W. A. Hinton, a couple of Charlotte colored men, have come out for Tilden and Vance. Poe and Hinton were prominent Republican politicians in that city.

The news from Surry county is of a very cheering character. A well informed gentleman informs the Mt. Airy *Watchman* that the Democrats will gain 75 votes in Dobson township alone.

Democratic citizens of Duplin county will hold a mass meeting at Teachey's Depot on the 28th inst. There will be a [illegible] speaking by Col. R. H. Hall, of Wilmington, and J. N. Stallings, Esq., of Duplin

Granville, though long ruled by scalawags and negroes, seems to be aroused and will do her duty. The Democrats are actively at work in every township. Large numbers that have never heretofore registered are doing so now. Then, too, the enemy is divided among themselves. Numbers of leading Rads have declared their intention to support the Democratic ticket.

Two enthusiastic Republicans in the country, says the Hillsboro *Recorder* determined to do the honors for Judge Settle, which Hillsboro was likely to fail in performing, hired each a mule to go out and escort him to town on Wednesday last. The arrangements were all made, when on going to the stable in the morning to saddle up both the mules were dead; and so Settle lost his escort and came in solitary and alone.

In Orange we are experiencing some little trouble, says the Durham *Tobacco Plant*, with a class of individuals who term themselves independents, but who literally are the most dependent, because they look to men whom they have for years heaped all manner of abuse upon for support. For these unfortunate individuals we have no words of abuse. Some of them are those whom we have delighted to honor in the past, and who would have been honored in the future had their selfish ambition been curbed and restrained.

NORTH CAROLNA.

The cotton business is thriving in Wadesboro.

New corn is selling at $2.50 per barrel at Littleton.

The tax collecting days have come, the meanest of the year.

There is to be a grand excursion Thursday from Shelby to Wilmington.

Marion Johnston killed a fine buck in the neighborhood of Littleton the other day.

E. W. Wortham, of Brookston, Warren county, has fine flue-cured tobacco for which he refuses $80 per hundred.

James Gulledge, of Anson county, had one side of his face badly bruised and torn one day last week by his head falling between the rollers of a cider mill.

The other day two small children of a Mr. Farmer, of Anson county, were smothered to death in a cotton house where they went to play.

The "rejoicings" of the Rabical press over the "victory" in the October elections remind one of the boy who took a bag of grist to the mill that ran very slowly. "Uncle Peter," said he, finally, "I could eat flour as fast as your old mill can grind it." "How long could you eat it, my son?" asked the miller "Till I starved to death," replied the boy.

W. W. Holden.

[Southern Home.]

This extraordinary individual denies the statement of Rev. Mr. Bailey, which it seems Mr B. has made more than once in the last few years. Mr. Bailey had no earthly motive for traducing Holden. The latter could not admit the truth of his confession without seriously compromising Grant and his administration. Within the last few days, evidence has been furnished confirming Holden's confession to Mr. Bailey. Chamberlain is now playing the same role in South Carolina that Holden did in our own State. He has started out as Holden did with a Proclamation declaring certain counties in a state of insurrection and ordering the insurrectionary bodies to disband. Thus did Holden in regard to Caswell and Alamance. Chamberlain will follow up this with the same violent measures which Holden employed. Now, how does it happen that the reformed thieves just as Holden did? Is it not plain that Chamberlain got his programme at Washington, where Holden said in his confession that he got his? The conduct of Chamberlain is an incidental proof that Holden told Mr. Bailey the truth, when he said that the Kirk war was planed in Washington in the interests of the Radical party. The deposed Governor now denies that he made such a confession. But he also denies that he took bribes and Deweese and Hugh L. Pike, both Radicals, and his intimate cronies, while the stealing was going on, say that he was repeatedly bribed. Deweese was a member of Congress during Holden's administration. Pike was the editor of the *Standard* at Raleigh, and author of the phrase "hefty on the Cassabian." Here is what Pike said:

"I hereby *swear* that I am knowing to the fact that W. W. Holden did in the year 1869, receive $25,000 (twenty-five thousand dollars) in North Carolina bonds, for giving his signature to a certain act."—Horace L. Pike, May 3rd, 1870.

A bribe taker will not hesitate to lie. Besides, Holden is editing a paper, miscalled, the *Constitution*, which is just as full of falsehoods and malignity, as some of the great religious newspapers of the North. If any truth of a political character is published in the *Constitution*, we venture the assertion that it has escaped the editor's eye.

The "Herald" Throws up the Sponge.

The New York *Herald* says the campaign of the "bloody shirt" is ended with the canvass in Ohio and Indiana; that unless the party returns to currency and civil-service reform; unless it determines to stop the robberies of the party in power at Washington; unless it means to throw off the miserable carpet-bag element at the South, with all of its hideous robberies and woes brought on that part of the country; unless it intends to throw off the Kelloggs, Packards, Spencers and Chamberlains of the South, and disowns the Chandlers, Dixes, Blaines, and Mortons, it is now virtually defeated. We accept the conclusions of the *Herald*. Can the leopard change its spots? Can the Radical party condemn itself? which would be to condemn its chosen leaders, Morton, Chandler, Dix, and Blaine, and et als. Impossible!! Then may good men everywhere rejoice over the *Herald's* conclusion that the Radical party must go down in the Presidential struggle.

"For the Blood is the Life."

See Deuteronomy, xii: 23. The blood being the source from which the system is built up, and from which we derive our mental as well as physical capabilities, how important that it should be kept pure! If it contains vile festering poisons, all organic functions become enfeebled. Setting upon important organs, as the lungs, liver, and kidneys, the effect is most disastrous. Hence it behooves all to keep their blood in a perfectly healthy condition, and more especially does this apply at this particular season of the year than at any other. No matter what the exciting cause may be, the real cause of a large proportion of all diseases is bad blood. Now, Dr. Pierce does not wish to place his Golden Medical Discovery in the catalogue of quack patent nostrums, by recommending it to cure every disease, nor does he so recommend it; on the contrary, there are hundreds of diseases that he acknowledges it will not cure, but what he does claim is this, that there is but one form of *blood* disease that it will not cure, and that disease is cancer. He does not recommend his Discovery for that disease, yet he knows it to be the most searching blood cleanser yet discovered, and that it will free the blood and system of all other blood-poisons, be they animal, vegetable, or mineral. The Golden Medical Discovery is *warranted* by him to cure the worst forms of Skin Diseases, as all forms of Blotches, Pimples, and Eruptions; also all Grandular Swellings, and the worst form of Scrofulous and Ulcerated Sores of the Neck, Legs, or other parts, and all Scrofulous Diseases of the Bones, as White Swellings. Fever Sores, Hip-joint and Spinal Disease,—all of which belong to Scrofulous diseases.

CONFIRMED. — HIP JOINT DISEASE CURED.

W. GROVE STATION, IOWA.

Dr. Pierce, Buffalo, N. Y.:

DEAR SIR—My wife first became lame nine years ago. Swellings would appear and disappear on her hip, and she was gradually becoming reduced, and her whole system rotten with disease. In 1871, a swelling broke on her hip, discharging large quantities, and since that time there are several openings. Have had five doctors, at an expense of $125, who say nothing will do any good but a surgical operation.

July 16, 1873 he writes thus: My wife has certainly received a great benefit from the use of your Discovery, for she was not able to get off the bed and was not expected to live a week when she commenced using it, a year ago. She has been doing most of her work for over six months. Has used twenty bottles, and still using it. Her recovery is considered as almost a miracle, and we attribute it all to the use of your valuable medicine. I can cheerfully recommend it as a blood-purifier and strengthrestorer. J. M. ROBINSON.

Our Military Visitors.

Yesterday, little after 9 o'clock, the Fayetteville Independent Light Infantry arrived in this city on the Raleigh & Augusta Air-Line Rail road.. They brought 32 muskets and were officered as follows: Major Haigh, Commanding; 1st Captain, A. H. Worth; 2d Captain, A. A. McKethan, Jr.; 3d Captain, R. B. Lutterloh. Quarters had been prepared over the store of J. Higgs & Co., Fayetteville street, where an ample amount of fatigue antidote had been prepared. After dust had been brushed from the clothing and washed from the throat, breakfast was partaken of at the Howell House.

At 10 o'clock a battalion, consisting of the Fayetteville Independent Light Infantry, Bingham Cadets, Raleigh Light Infantry and a detachment of the Raleigh Light Artillery was formed, and the line of march taken up for the fair grounds. Mechanics' Tilden and Vance Club.

Last evening the Mechanics' Tilden and Vance Club held their regular weekly meeting in the Mayor's office, the President, N. B. Broughton, in the chair. A large number of new members were admitted to membership.

A committee, consisting of H. Vaughan, C. C. Briggs and Alfred Upchurch were appointed to wait on C. M. Busbee, Esq., and invite him to address the club next Thursday evening at Metropolitan Hall.

Excellent and cheering speeches were made by O. R. Smith, of Durham, and Dr. S. D. Booth, of Granville. The speech of the latter was particularly encouraging. He said that the corruption, of the Radical officials in that county had become so oppressive and patent that no decent white man would longer support that party; that Ike Young might thank his stars if he got any majority there. The club meets again Thursday evening.

Reception at Peace Institute.

Messrs R. Burwell & Son, under whose management Peace Institute has grown famous, provided a treat of rare excellence last evening for the Cadets visiting the State Fair. The entertainment was *recerche* in its every appointment, consisting of a variety of vocal and instrumental music of a high standard of excellence.

No Nigger.

Salutary Stimulation.

When vital action is sluggish, a stimulant, provided it be pure and properly medicated, is the most reliable agent for imparting the necessary impetus to the semi-dormant organs, accelerating the languid circulation and averting the maladies to which functional inactivity gives rise. Physicians who have employed Hostetter's Stomach Bitters in their practice pronounce it the most salutary tonic stimulant they have ever used, and especially commend it as a remedy for torpidity of the bowels, liver, stomach and kidneys, and as a resuscitant of vital energy. The medicinal value of the Bitters is due to the fact that with their basis of pure old rye are combined, in perfect chemical harmony, the best restorative and life sustaining elements known to medical botany. The Bitters never deteriorate in the most unfavorable climates.

Mrs. F. Morrell, Bangor Me., July 2, 1873, writes: "Six months ago my friends thought me incurable, suffering from Weakness, Disordered Stomach and Fever. The doctor gave me no relief. I was persuaded to try Carden's Liebig's Liquid Extract of Beef and Tonic Invigorator; after using three bottles I began to improve, and today feel perfectly well"

A CERTAIN AND SPEEDY
CURE FOR SCROFULA.

Facts are Stubborn Things.

A Few Proofs that Mrs. J. A. Person, Franklinton, N. C., Possess an Infallible Cure for Scrofula in All Its Forms.

THREE CHILDREN IN ONE FAMILY PERFECTLY CURED.

CASTALIA, N. C., Feb. 20th, 1875,

MRS. JOE PERSON.—DEAR MADAME: Your letter has been received and on account of being absent from home for a week or two have not had the opportunity to answer it. I certainly will take great pleasure in doing all that I in my power t wards getting you patients for treatment o Scrofula. I hardly know how to express my gratitude to you for curing my three little children. They took medicine from my family physician for about two years, with scarcely any relief at all. I tried your remedy and in less than three weeks, they were all perfectly cured, and have never shown any sign of breaking out again. I feel very thankful to you I can safely say that I believe your remedy to be a certain cure for Scrofula. If I can ever be of any service to you in any way, I want you to be sure to call on me.

Yours truly,
WM. H. ARRINGTON.

"IT WILL CURE YOU IF YOU GIVE IT A FAIR TEST."

It gives me much pleasure to be able to state that I have derived an effectual cure of Scrofula from the use of Mrs Joe Person's remedy for that disease. I had suffered from Scrofula for more than three years, and had despaired of ever getting well I was treated during that time by three very eminent physicians without any good results. I then went to the National Surgical Institute, at Atlanta, Ga., and was treated there more than two months, with no better result than my family physicians met with. After I returned from the Institute, I was persuaded to try Mrs. Person's Remedy, and I had not used it more than a week before I discovered its curative and healing properties. My sores soon began to heal, and the core of my skin came off as fast as the sores healed. I had not thought of ever getting well again, but my hopes increased, my low spiritedness fled before the Remedy, and I now enjoy splendid health, and am in good spirits. The Remedy is mild as a purgative, and a strong tonic it will heal the most stubborn sore in three weeks I take regularly. It is my opinion that it should be taken sometime after the sores is healed to remove the cause of its effects. It should be taken regularly by all means, for I have sometimes neglected it from the pressure of business, and in all cases found that the cure already made would commence to retrograde, and for this above it should be taken regularly until an effectual cure is completed. Nothing should prevent regularity in the use of the remedy, and it should be taken at the proper time. I would recommend to all who are suffering from Scrofula to try it. It will surely cure you, if you give it a fair test. I speak from experience, and not from a say. I am a grateful recipient of a cure from the use of it, and I am under many and lasting obligations to Mrs. Person for the great relief I have obtained from its use. Sufferers, try it and be cured, is my advice.

I am, respectfully,
J. S. A. MORRIS.
KITTRELLS, N. C., Feb. 17, 1876.

FRANKLINTON, N. C.

This is to certify I am intimately acquainted with Mrs. Joe Person, and from the facts before me of the remarkable cures she has made of Scrofula, I believe her medicine will do all she claims for it. And I take pleasure in recommending it to all persons suffering with Scrofula. This the 28th day of February, 1876

J. W. WELLONS,
A Minister of the Christian Church.

The statements mentioned in the pieces, above, in regard to the curative power of the remedy in my possession are substantially correct, I have been trying it with unparalleled success for the last ten years and I do not hesitate to pronounce it an infallible, speedy and permanent cure for Scrofula; in its worst forms, no matter of how long standing the disease, nor whether hereditary or contracted.

Persons desiring treatment will make an engagement before coming, as I am only prepared to accommodate a limited number at one time. Other certificates will be shown to applicants. For further information apply to MRS. JOE PERSON,
